

CheersLand - Audit Report

Cheensland is building a platform where users can purchase lives by staking tokens or it?

We audited CheersLand's Gene contract using code provided to us by the project team.

Inscrability Category	Notes	Result
bitsary Storage Write	N/A	PASS
bitsey.Jump	N/A	PASS
riegate Call to Untrusted Contract	N/A	PASS
pendence on Predictable Variables	N/A	PASS
precated Opcodes	N/A	PASS
